Hon. R. Reagan

Have been punished here in Vacaville for writing a threatening letter. Mr Lester Jo Pope the Sup. had me locked because you ordered it done.

I have tried to wake you up as to what you and Elmer Brown are doing or allowing doctors here to do to me and others here. For over eleven years I will say no more. Except you will one day have to face me. And your wife and kid will pay for your ignorance.

You better act saneable and investigate my case and have one of your dogs interview me.

Ronald Reagan-649

REMARKS BY GOVERNOR RONALD REAGAN  
Eisenhower College Fund Raising Dinner  
Washington, D. C., October 14, 1969

The memory of a man we hold in high esteem and for whom we have a great personal warmth and affection has brought us all together here tonight. At the groundbreaking for Eisenhower College, Bob Hope called the school a monument...a living monument to a monumental man. He said the General believed that education was something more than one of freedom's blessings---education was freedom...freedom of the mind to search for, and find, a better way of life for all mankind.

And, the General's great and good friend, Winston Churchill, said: "The destiny of man is not measured by material computation. When great forces are on the move in the world, we learn we are spirits, not animals. There is something going on in time and space--and beyond time and space--which, whether we like it or not, spells beauty." How appropriate these words are to this man we could refer to as President or General, but who is enshrined in all of our hearts, and so many millions more, as just "Ike."

His lifetime was devoted to duty. In expressing his pride in this college he said we must, all of us, have a sharper understanding of how we are to exercise the rights of citizenship, and to discharge its duties. He was trained in the science of war. But, he called it "man's greatest stupidity." And his dream for all mankind was a world at peace.

ENCLOSURE

100-382196-76

Still, he knew that his craft and his profession were absolutely necessary in this world. For there is a price on peace, and sometimes that price is more than free men can pay.

There is also one with us here tonight [the president] who knows the weight of duty. He too knows that the price for an immediate peace could well be a thousand years of darkness for generations yet unborn.

There are parades held today in our streets in the name of peace. But, some who march in those parades carry the flag of a nation that has killed almost 40,000 of our young men. We have a right to suspect that at least some who organized those parades are less concerned with peace than they are with the welfare of the enemy.

Many of our universities who should be committed to learning and free inquiry will close down classes in what is called a "Vietnam Moratorium Day", and it is correctly named because there will be a moratorium on free discussion. There will be no legitimate debate of the alternatives facing this nation.

The decision has already been reached by the National Vietnam Day Committee. Those responsible for the safety and the security of this nation and it's people...those who have access to the facts and the information...will simply be told what their course shall be by the self-annointed.

And young Americans, living today, will die on some tomorrow because the enemy planned his strategy so as to add fuel to the demonstrations in American streets where he hopes to win that which he cannot win in the rice paddies and the jungles of Vietnam.

If I sound too harsh, it's because I know no other way to talk about those who would lend comfort and aid to the enemy. Those who protest would have the game without the name.

But today, no less than the Premier in Hanoi, Than Van Dong, made it plain that he does receive comfort and aid from this planned protest. His letter has been made public by the government in Hanoi. It is addressed to his 'dear American friends' and it is full of praise and gratitude for their efforts. It expresses the hope that together, with those friends in America, they can go forward to total victory. He signs it 'affectionately yours'.

Those entrusted with the awesome responsibility of the leadership of our nation deserve not only our support, but our rejection of those in our midst who would arrogantly kibitz in a game where they haven't even seen the cards with which the game is played. They would like to attempt brain-surgery. But, they have gone only so far as to read the directions on an aspirin bottle.

I know it is something of a cliché to draw a parallel between the rise and fall of Rome and the course of our own Republic. Certainly this is true in academic circles. And yet, the parallel is there in such detail that it is frightening...almost eerie.

Dr. Robert Straus-Hauppe recently published a series of articles based on the observations of a number of historians; Spengler, DeReincourt, Ferraro, Gibbons and some others.

Ronald Reagan-652

He told how Rome had known a pioneer beginning not unlike our own pioneer heritage, and then entered into two centuries of greatness reaching its pinnacle in the second of those centuries, going into the decline and collapse in the third. Yet, the signs of decay were becoming apparent in the latter years of that second century.

It is written that there were vast increases in the number of the idle rich, and the idle poor. The latter were put on a permanent dole, a welfare system not unlike our own. As this system became permanent, the recipients of public largesse increased in number. They organized into a political bloc with sizeable power. They were not hesitant about making their demands known. Nor was the government hesitant about agreeing to their demands...and with ever increasing frequency. Would-be emperors catered to them. The great, solid middle class--Rome's strength then as ours is today--was taxed more and more to support a bureaucracy that kept growing larger, and ever more powerful. Surtaxes were imposed upon incomes to meet emergencies. The government engaged in deficit spending. The Denarius, a silver coin similar to our half dollar began to lose its silvery hue. It took on a copper color as the government reduced the silver content.

Even then, Gresham's law was at work, because the real silver coin soon disappeared. It went into hiding.

Military service was an obligation highly honored by the Romans. Indeed, a foreigner could win Roman citizenship simply by volunteering for service in the legions of Rome. But, with increasing affluence and opulence, the young men of Rome began avoiding this service, finding excuses to remain in the soft and sordid life of the city.

They took to using cosmetics and wearing feminine-like hairdos and garments, until it became difficult, the historians tell us, to tell the sexes apart.

Among the teachers and scholars was a group called the Cynics whose number let their hair and beards grow, and who wore slovenly clothes, and professed indifference to worldly goods as they heaped scorn on what they called "middle class values."

I'm still talking about Rome.

The morals declined. It became unsafe to walk in the countryside or the city streets. Rioting was commonplace and sometimes whole sections of towns and cities were burned.

And, all the time, the twin diseases of confiscatory taxation and creeping inflation were waiting to deliver the death blow.

Then finally, all these forces overcame the energy and ambition of the middle class.

Rome fell.

We are now approaching the end of our second century. It's been pointed out that the days of a democracy are numbered once the belly takes command of the head. When the less affluent feel an urge to break a commandment and begin to covet that which their more affluent neighbors possess they are tempted to use their votes to obtain instant satisfaction. Then equal opportunity at the starting line becomes an extended guarantee of at least a tie at the finish of the race.

Under the euphemism "the greatest good for the greatest number," we destroy a system which for two centuries has accomplished just that. The greatest good for the greatest number.

Ronald Reagan-654

Demonstrations to force colleges to divorce themselves from participating in the defense of the nation take place. We've known riots in our streets. We no longer walk the countryside or the city streets without fear.

The jungle seems to be closing in on this little plot we have been trying to civilize for 5,000 years and all of us, I know, are disturbed at the virus that has infected the campus.

No doubt we could all top each other with frightening and unbelievable stories. One day on one of our campuses I listened to a tape recording of a so-called student meeting where they were planning a campus disruption. Explicit directions were given on how to start fires in college buildings. Subsequently, there were 50 fires started in those buildings in one day.

Continuing to listen, they outlined where the pickets would go and how they would parade and what they would do and how they would take over the college. We actually heard a voice say: "If, in the process, it becomes necessary to kill, you will kill."

We were gripped with an overwhelming sense of unreality. Unreality that it is happening at all. But, even more frightening is how close we have come to accepting it as a normal way of life.

Dr. Spock's babies have grown up, which is probably more than we can say for the doctor. I confess I liked him better when his concerns were pablum and potty training.

In my state, two young people lie with mangled hands and sightless eyes. One 20-year-old girl was picking up the mail delivery in a college administration office when the bomb exploded. The other was a 19-year-old boy.

Ronald Reagan-655

In the dark early morning hours, he was planting a bomb in a campus building when it exploded prematurely. The bomb was a symbol of his rage and his hatred. We wonder, when and how did this all begin?

It began the first time someone old enough to know better declared it is no crime to break a law in the name of social protest.

It started with those who proclaimed, in the name of academic freedom, that the campus was a sanctuary, immune to the laws and rules that govern the rest of us.

It began with those who, in the name of change and progress, decided we could scrap all the time tested wisdom man has accumulated in his climb from the swamp to the stars.

Simply call its constricting tradition and morality the dead hand of the past, and wipe out the discipline as no longer binding upon us.

Saint Thomas Aquinas warns teachers that they must never dig a ditch in front of a student that they fail to fill in.

To cleverly raise doubts, and ever seek, but never to find, is to discuss freely all sides of a question without values and, thus, to insure the creation of a generation of uninformed and talkative minds.

Our obligation is to help our young people find truth and purpose...to find identity and a goal.

I have talked to those already in rebellion, already with a torch and the club in their hands. Admittedly, they are a tiny few. A very few in number on all of our campuses.

Ronald Reagan-656

But, there is a ferment on our campuses involving the great majority. They have complaints, and their complaints are legitimate. They want to invest their energy and their idealism in causes they can believe in. They refuse to become numbers in a computer. They want more than a four-year ride on an assembly line in some kind of a diploma mill. They want a re-ordering of the priorities.

The United States Department of Education, in taking a survey on 68 campuses, and questioning 7,500 professors, found this answer to the question: "What is the obligation of a University?" The professors said: "To protect the academic freedom of the faculty."

What has happened to teaching? It is time for all of us, especially those in charge of the institutions of learning, to revise and review the bidding.

Shouldn't the doctrine 'publish or perish', and even research, follow in the order of importance the need to teach our young people?

It is possible that even among the most radical protestors, there are those who have in reality been crying out for help. And, it is all the more poignant because the cries have gone unheard and unheeded.

One day I participated in a lecture series in a large mid-western university. It was opened to the public. There were about 4,000 adults on the main floor of the auditorium of the field house. There were more than 10,000 students all the way to the ceiling in the tiers of seats around the great oval. During a question and answer period one question came to me and I don't remember exactly what it was about. But, the questioner expressed concern that our young people were rebelling against the moral standards and the principles we have tried to teach them all of their lives.

Ronald Reagan-657

In my answer I expressed a belief that they weren't so much rebelling against the standards and the principles. They were rebelling because they don't believe that we are living up to those standards and principles.

There was a second of silence, and then 10,000 young people came to their feet with a roar I shall never forget.

Have they lost faith in the rules, or have they lost faith in us?

Do they doubt our willingness to practice what we preach?

Has there been a quiet drifting away...an erosion of our moral commitments?

Where were we when God was expelled from the classroom?

How often do they see us dismiss wrong-doing in public life with this sort of easy tolerance--"well that's just politics"?

The halls of government are the very temples of freedom and we should so consider them. What about us when the youngster comes home from the football field and tells us, with great pride, how he learned to get away with holding--without being caught--on a block. How many times have they been in a car with us and seen us look over our shoulder, then fudge on a stop-light because there wasn't any policeman in sight?

As the country parson once said, "The fellow who left the gate open is only slightly more guilty than the one who saw it open and didn't close it."

Is it possible that much of what frightens and disturbs us actually started with us?

Ronald Reagan-658

With such a gradual and silent erosion of our own moral code, no government at any level and for any price can afford the police necessary to insure our freedom unless the overwhelming majority of us are guided by an inner personal code of morality--a code that makes us act when we are alone, the same as we do when the eyes of the crowd are upon us.

Some years ago, when Bud Wilkinson had those great national championship teams out in Oklahoma, toward the close of the season he took one of those great teams to play a very mediocre Texas-Christian team. That day, TCU rose to the heights as some times a beaten team will. In the closing seconds a receiver dived into the end zone to make a shoestring catch of what would have been the winning touchdown against the national champions. There was a huge upset in view. The crowd was going wild. But down in the end zone the kid stood up...walked over to the referee, and said: "No sir, it touched the ground before I caught it."

Now, what was your reaction? Was your first reaction...Now wait a minute---that's going too far? The referee didn't see it! He should have kept his mouth shut! Or, should he?

Someday, he may represent you in a statehouse, or in Congress or in the White House, And what then? Do you want him to keep his mouth shut if no one is looking? Do you want him to base his decisions on political expediency? Or, do you want him to base those decisions on the same kind of inner moral conviction that made him tell the truth to the referee without being asked?

And, who will teach them--by word and deed--that kind of morality if it isn't us?

Ronald Reagan-659

On the deck of the tiny Arabella off the coast of Massachusetts, in 1630, John Winthrop gathered a little band of pilgrims together. He told them of the life they would have in this land that they had not yet seen. He said: "We shall be as a city upon a hill. The eyes of all people are upon us so that if we shall deal falsely with our God in this work we have undertaken and so cause Him to withdraw His present help from us, we shall be made a story and a byword through all the world." For you who have considered, "What can I do?" in this time of crisis in our world, I would suggest supporting Eisenhower College, and making it as a city upon a hill.

Without such schools, this shining dream of John Winthrop may well become a taste of ashes in our mouths.

These schools--like Eisenhower College--are educational whetstones, serving to hone the educational process, helping to improve the public tax-supported system, keeping it competitive in the drive for excellence. By their very competition, they help preserve the freedom of public institutions from political interference and guarantee a measure of academic freedom the public institutions could never attain by themselves.

General Eisenhower commended those who gave of their time and substance to bring this college into being, and to keep it alive. He knew that institutions such as Eisenhower College are essential to America. They provide leadership out of all proportion to their size.

America will be needing them more and more in the days ahead. Ladies and gentlemen of the world of commerce and industry and the professions, you can make no greater investment in freedom than by your contributions to independent schools and colleges, such as Eisenhower College.

Ronald Reagan-660

I dare to hope that one day the federal government will grant tax-credits--not deductions, but tax credits--for a portion of the tuition fees made by parents sending their sons and daughters to such colleges. I even dare to hope that they will explore the possibility of extending federal aid, not through more bureacracy, but by creating tax credits for contributions to such schools and colleges, if we are to win the battle that is being fought today in the minds and hearts of our young people.

I pray that you will keep alive this dream of a man named Ike who left us these words: "We believe individual liberty, rooted in human dignity, is man's greatest treasure; that men, given free expression, will prefer freedom and self-dependence to dictatorship and collectivism."

And then he reminded us that freedom from fear, injustice and oppression will be ours only in the measure that men who value such freedom are ready to sustain its possession and defend it against every threat from within or without.

The college bearing his name is pledged to the preservation of his ideals, and the country he loved so much. I think we can do nothing less than to see that it becomes as a city upon a hill.

ENCLOSURE

November 24, 1969

The President  
The White House  
Washington, D.C.

Sir:

Enclosed please find, for reference, a complete copy of the request for hardship discharge from the United States Army applied for by one [redacted] my fiancée.

b6  
b7C

I am not writing this as a part of the radical, draft dodging dissident movement so prevalent in our country today, rather as a concerned citizen who happens to love and care what happens to a few people very close to her. This letter is meant to supplement the information on the request for discharge and to appeal to you as the Commander in Chief of our armed forces to act upon this request. Might I suggest that before reading any further, that you take a moment to review the enclosed affidavits, as this letter will bring those statements up to date. Thank you.

A few of these affidavits were written about the time that [redacted] had to return to base from his emergency leave, however, much more has happened since then to prompt me to take such drastic action as to impose our problems on you, Sir. Had it not been for the apathy and lack of concern I have faced in trying to get help, I would never have gone so far. Let me begin with [redacted] return to base.

As was stated in the affidavits, [redacted] was beginning to show signs of improvement while [redacted] was home. Three days after [redacted] left, I discovered that [redacted] had been sneaking whiskey again. The day [redacted] called to tell us he had been recycled into another infantry training unit and give us his new address, [redacted] went out and got a bottle and got really drunk. When I went over to get him to run some errands we had to take care of, I found him in this condition. So rather than have him go out alone and chance an accident, I went with him. Well, while in the bank when the teller turned around to check our account number, [redacted] reached in and stole about \$5.00 in quarters from the change rack. I almost died on the spot! He has always been an honest man who instilled the respect for the law in his sons, so you can imagine how shocked I was when he took this money. I managed to put the money back before anyone noticed it was missing and then we left for the phone company. While there, he started talking real loud about going up to Fort Ord and blowing up the base "so there would be no place to train our infantry". I managed to get him out of there real quick, too. Then we went to eat, and he started talking about how our country ought to be taken over by the Communists because they would surely get us straightened out. He also mentioned killing the President and possibly our Governor, too. People were staring at him and I tried to quiet him. I told him he could go to jail for talking like that and I doubted that [redacted] would be very proud of him if that happened. He just laughed and said they'd never catch him because he was too smart for them.

DEMONSTRATION AGAINST APPEARANCE  
OF GOVERNOR RONALD REAGAN  
FRESNO, CALIFORNIA  
April 6, 1970

✓ Copies of this memorandum are being disseminated to Secret Service, Sacramento and to local Military Intelligence Agencies of the Army, Navy, and Air Force.

On April 7, 1970, Sergeant Ivan Nybert, Intelligence Unit, Fresno Police Department, Fresno, California, advised as follows:

On the evening of April 6, 1970, Governor Ronald Reagan made a scheduled appearance at the Las Vegas Room of the Hacienda Motel, Clinton Avenue and Highway 99, Fresno, California. At about 7 p.m. a group of 50 to 60 males and females, principally of Mexican-American extraction, ranging in ages from about 18 to 30, entered the Hacienda Motel Lobby and proceeded to the entrance of the Las Vegas Room and began creating a disturbance by chanting "Viva La Raza" and various obscenities. The chief Security Officer for the motel asked the crowd to leave the premises but they refused and the intensity of the chanting increased as Fresno police reinforcements arrived. One individual, later identified as [redacted] spit on a police officer and as he was being apprehended, the crowd began throwing rocks and bottles. Several windows were broken but there were no injuries. A Fresno Police Sergeant declared the crowd and area an unlawful assembly and ordered dispersal several times

with the aid of a "bullhorn." The crowd still refused to disperse and six ring leaders of the group, including [redacted] were then arrested. One of the six, [redacted] was observed throwing a rock at a police officer. The crowd then dispersed.

At about this same time, another Fresno Police Sergeant observed three individuals on the Clinton Avenue overpass over Highway 99 just south of the Hacienda Motel. Upon checking the area after the three individuals had left, the sergeant found three "Molotov cocktails." The three bottles had been filled with what appeared to be gasoline and a detergent and rag wicks were affixed in the top of the bottles. There was no evidence to indicate any "Molotov" had been thrown in the vicinity of the Hacienda Motel.

The six individuals arrested and charged with trespassing and unlawful assembly in connection with the above described disturbance are as follows:

Dear Mr. Hoover:

It was certainly nice talking with you yesterday and, following your telephone call, I determined that Governor Reagan was en route to San Diego, scheduled to arrive at 4:55 p.m., Pacific Southwest Airlines, with arrival at Lindbergh Field.

Arrangements were made so that I could talk to the Governor as soon as he arrived. Just as his plane had come to a stop on the apron for disembarking, there was an anonymous telephone call concerning a bomb threat which caused his aides to move him from Lindbergh Field as quickly as possible and, since he was staying at the Royal Inn Motel only five minutes from the airport, he was immediately ushered to that location.

As a matter of expediency, I followed the Governor to the Royal Inn Motel and, as soon as he left his limousine outside the motel, I contacted him and gave him your message. This was delivered at 5:08 p.m., Pacific Daylight Time.

I hope all is going well with you and I am real pleased that the Bureau located Angela Davis.

Respectfully,

*Robert W. Evans*

In accordance with arrangements approved by the Director, Mr. Mardian conferred with Mr. Hoover in Mr. Hoover's Office this morning. At the outset of their meeting Mr. Hoover advised Mr. Mardian that the failure of the Internal Security Division of the Department of Justice to take action on numerous occasions where action was clearly indicated, based on the results of FBI reports, has been of deep concern to the Bureau. The Director noted that while prosecution is not the business of the FBI, that we are an investigative agency, nevertheless there have been instances where reports contained results of investigations that clearly called for prosecutive action, and none was had.

Mr. Hoover observed that the Internal Security Division of the Department of Justice was one sector of the Department that was in bad need of revitalizing. Mr. Mardian said that he was in total agreement with Mr. Hoover, and that he, Mardian, intended to take appropriate action in this regard.

The Director noted that he hoped that matters concerning the Black Panthers, Students for a Democratic Society and the Weathermen would eventually be the responsibility of Mr. Mardian's Internal Security Division. Mardian indicated that plans were going forward to do precisely this at the present time.

Mr. Mardian observed that he intended to resolve all doubts regarding prosecution of persons who have violated laws having a bearing on this country's internal security in favor of prosecution wherever and whenever possible.

In this regard Mr. Mardian advised that he intended to put together a Task Force to develop new strategy and ideas for prosecuting people who represent a threat to this country's internal security. He noted that he anticipated as the result of this Task Force new legislation would be recommended where present legislation is now inadequate, that efforts would be made to have prosecution where state laws

M. A. Jones to Mr. Bishop Memo

RE: ROBERT C. MARDIAN...MEETING WITH THE DIRECTOR

Mardian advised Mr. Hoover that Sharp is an excellent man with outstanding credentials. Bufiles reflect no information on Sharp. He is currently under investigation by the Bureau in connection with his appointment as Consultant to the Attorney General.

The Director assured Mr. Mardian of the Bureau's full cooperation and indicated that a Bureau representative would be designated to work with the Unit.

Mr. Mardian stated the second matter which he wished to mention to the Director was the fact that he has also been commissioned by the White House to form a Task Force to decide what our Government's response will be should there ever be a kidnaping of a Government official such as there was in Canada recently. Mardian stated that it is his earnest hope that the Task Force, when it is formed and confers, will recommend no response be made to the demands of would be abductors and that this policy, if established, be given full disclosure in the press, in the hope that it will serve as a deterrent.

In response to a request by Mardian for the Director's opinion concerning this matter, the Director noted that he shared Mardian's views and felt that plans must be formulated in anticipation of possible kidnapings since it is not realistic to take the position they will not occur in this country.

Just prior to the conclusion of their talk, Mr. Mardian expressed concern over Frank Sinatra's recent association with Governor Ronald Reagan of California and advised Mr. Hoover that efforts on his, Mardian's, part and those of Lyn Nofziger, of the White House, to convince Reagan of Sinatra's unsavory background have been met by disbelief.

Mr. Hoover noted that he is well acquainted with Governor Reagan and that the next time he is in touch with him, he will brief him concerning Sinatra. Mardian stated that he appreciates Mr. Hoover's offer to do this since, while Reagan is not inclined to believe Mardian or Nofziger, even though they are close friends, he most certainly will believe Mr. Hoover.

Mardian said that he is of the opinion that Reagan has sought a relationship with Sinatra to dim his own image of being a right wing conservative. Mardian noted that one of Reagan's biggest financial supporters, Taft Schreiber, President of the Music Corporation of America, served as actor's agent to both Reagan and Sinatra several years back.

b7D

On 2/21/71, [ ] advised that the Milwaukee Committee to Free Angela Davis (CFAD) was in the process of organizing an ad hoc committee to plan a demonstration protesting the visit of Governor RONALD REAGAN to Milwaukee, Wis., on 3/25/71. Source advised that every effort will be made to exclude organizations and individuals who are basically militant and who, it is felt, would be prone to the use of violence in confrontations with authorities. It is felt that the ad hoc committee will be made up of representatives from the Communist Party of Wisconsin (CPW); Young Socialist Alliance (YSA); National Coalition Against War, Racism, and Repression (NCAWRR); Committee to Free Angela Davis (CFAD); and National Welfare Rights Organization (NWRO).

On 3/5/71, [redacted] advised that a meeting of the [redacted] was held on [redacted] at [redacted]. Source further stated that the turnout was extremely poor and that several suggestions were put forth, including the following:

1. Contacting the CFAD chapters, Madison, Wis., and Chicago, Ill., and the NCAWRR organization in Chicago, Ill., to participate in the scheduled demonstration.
2. Attempt to gain support of the Latin community, Milwaukee, Wis., for scheduled demonstrations.
3. Contact SALLY DAVIS, ANGELA DAVIS' mother, to speak at demonstration and rally following demonstration.
4. Attempt to have present Governor LUCY from Wisconsin and Father JAMES GROPP, nationally known civil rights leader, Milwaukee, Wis., participate in affairs surrounding REAGAN's visit.

Tentative plans were made to have demonstrators meet at the War Memorial, Milwaukee, Wis., 6:30 p.m., 3/25/71, and march to the Pfister Hotel, Milwaukee, Wis., where REAGAN is scheduled to stay. Following the protest, the demonstrators are scheduled to adjourn to St. Michael's Catholic Church, Milwaukee, Wis., where SALLY DAVIS and others will speak concerning the plight of ANGELA DAVIS.

Source advised that a meeting [redacted] is scheduled for [redacted] and more definite plans will be formulated.

Dear Mr. Hoover:

I have just learned of your latest generosity where I am concerned through Mr. Ed Hickey who is in charge of our security. Once again, I am in your debt and just wanted you to know how very grateful I am.

Here in California, the great cooperation we've always had with the Bureau continues and is a source of great comfort to me and, indeed, to all of us.

Again, my heartfelt thanks and very best wishes.

On the morning of 5/10/71, California Governor RONALD REAGAN addressed captioned conference. During his speech he was critical of the violence on college campuses and the assaults on police officers throughout the United States.

He made many complimentary remarks regarding the Director of the FBI. Following is a quote from his speech concerning the Director and the FBI:

"It is no exaggeration to suggest that America might well owe its very survival to the effectiveness of the Federal Bureau of Investigation in rooting out subversion and fighting crime of all types.

"Some critics make a mockery of the facts by suggesting that the FBI seeks to become some sort of secret police. J. EDGAR HOOVER's career has been devoted to resisting the efforts of others to turn the FBI into a national police force. He has worked to strengthen local and state law enforcement."

Governor REAGAN went on to note that the FBI was a pioneer in modern crime fighting techniques, and he specifically mentioned fingerprinting, collection of evidence, and NCIC, among other items.

The above is furnished for the information of the Bureau and the Director should he desire to communicate with Governor REAGAN regarding his fine remarks.

A senseless act of violence took place a few weeks ago on the campus of Stanford University, one of America's great private institutions of higher learning. An arsonist--sneaking through the dead of night--deliberately set a fire that destroyed the lounge of a dormitory. The flames and smoke drove 80 sleeping students from their beds.

After the fire was put out, one student remarked that this particular act of violence was--in his words--"far different from setting a truck or a motorcycle on fire. If one of us had not seen it, a lot of us would be dead. That is not vandalism; that is murder."

The student was right in one sense. If someone had been killed, it would have been murder. But setting a fire in a dormitory is no different from setting a truck or a motorcycle on fire. Vandalism, arson and murder are all illegal acts of violence. And they differ only in degree.

It is a tragic dilemma of our times that there are some on campus and elsewhere who do not always perceive that simple truth. When you are counting the casualties...the dead and injured...the needless property loss that results from such an act...it makes no difference what warped sense of values motivates the arsonist.

Crime cannot be divided into "just" and "unjust" categories. Violence cannot be justified, excused or explained by any real or imagined grievance.

Ronald Reagan-769

Unfortunately, the crime at Stanford was not an isolated act. I don't mean to single it out as any more deplorable than the scores of other similar violent acts which have taken place elsewhere before or since...at schools, banks, National Guard armories or business firms. But it does dramatize with chilling clarity the new challenge that confronts those of you whose task it is to protect society.

A new kind of crime threatens California and the United States...plotted and carried out by a new breed of criminal, the self-proclaimed revolutionary who directs senseless acts of violence against innocent bystanders. What makes these new criminals doubly dangerous, is their fanaticism which makes them perform with an almost religious zeal, as if they are ordained by a higher power to right all the ills of mankind.

The immensity of task cannot be over-emphasized. There were 4,443 bomb threats in California during the last 10 months of 1970. There were 1,052 actual bomb incidents in which an explosive device was found and on some tragic occasions, these bombs exploded, killing or injuring innocent people. Fifteen police officers died in the line of duty in California last year, six under circumstances which can only be described as acts of cold-blooded murder.

The new type of so-called "revolutionary" crime is becoming one of America's most critical internal problems, at a time when certain other types of crime are slowly declining.

It isn't necessary to lay before you all the appalling statistical evidence. You know far better than I the corrosive effects of crime and violence on our society. The most tragic impact is the aura of fear and distrust it creates among us. A recent national survey disclosed that one-third of all Americans believe it is unsafe to walk alone at night in their own neighborhoods.

The threat of the mugger, the rapist, and now, the revolutionary whose rhetoric has escalated into violence, is a real threat. It cannot be ignored. And it cannot be excused or explained as legitimate political discontent...illegitimately expressed through illegal means.

There is a national concern, no, I would say, a national demand for public safety and public order.

But what kind of public safety? What kind of public order?

Our nation is built upon a system of legal values which provides greater protection for the individual...for his right to speak and to protest legitimate grievances...than any other society ever known. Those of you who are gathered here today are dedicated guardians of those rights; you represent society's first line of defense against crime and anarchy.

Ronald Reagan-770

In such a nation, how do we achieve order and bring to justice the lawless elements among us without sacrificing the individual liberty to which we are all dedicated?

One first step is to never lose sight of just who is threatening the peace or violating the rights of the law-abiding citizen. Those who set fires and plant bombs--who demonstrate violently in the name of non-violence--are not protecting the rights of others or preserving the legal system that makes possible peaceful protest. They are the outlaws.

Yet some of our citizens--who abhor violence--see the enforcer of the law as a social outcast. They have accepted without question the steady, unrelenting campaign that is going on to discredit those whose job it is to preserve law and order in our society. Police are accused of "repression"--for putting down disorders that have been calculated to incite a confrontation.

But it is the rioter who suppresses the rights of others, not the policeman called to restore order.

It is the criminal who violates the rights of others by stealing, mugging or other acts of violence. It is to the police officer the crime victim turns for help after such crimes have taken place or when criminal violence threatens him.

In carrying out their duties, our policemen are expected to be psychologists, constitutional lawyers, family counselors. They are expected to patiently endure insults while coping with hoodlums intent on injuring either innocent citizens or the policemen themselves and sometimes both.

They are expected to be perfect men in an imperfect world, and they come far closer than most to that goal.

Plutarch said if all the world were just, there would be no need of valor. But the world is not filled with all just men and we do need valor---we need the valor that you, our law enforcement officers, exhibit every day and every night.

I believe it is a tribute to your courage and dedication that those of you who wear the badge of authority have never lost sight of the real threat to liberty. The greatest threat to our liberties are those who seek to destroy the ability of law enforcement to assure that liberty. They use the word "repression" to describe any forceful response to lawlessness.

Ronald Reagan-771

And they seek to defeat or inhibit effective law enforcement by spreading suspicion of the policeman and his motives, by seeking to cast the policeman in the role of villain rather than the criminal.

In recent months, one of America's greatest law enforcement officials has become the object of a bitter verbal assault by some who are in a position to know just how much J. Edgar Hoover has contributed to this country's safety.

It is no exaggeration to suggest that America might well owe its very survival to the effectiveness of the Federal Bureau of Investigation in rooting out subversion and fighting crime of all types.

Some critics make mockery of the facts by suggesting that the FBI seeks to become some sort of secret police. J. Edgar Hoover's whole career has been devoted to resisting the efforts of others to turn the FBI into a national police force. He has worked to strengthen local and state law enforcement.

There is no doubt why the subversive and criminal elements would like to see the FBI downgraded and discredited. It was this agency which pioneered in most of the modern crime-fighting techniques we use today---fingerprinting, scientific collection of evidence, advanced training for law enforcement personnel, and now, a National Crime Information Center utilizing the computer to fight crime.

But these innovations have been used only to protect society against the threats posed against it by criminals and subversive elements.

Unlike some who criticize him, J. Edgar Hoover's entire career has been devoted to keeping government the servant of the people rather than making government the master. This same type of harassment has been directed against local and state law enforcement officers.

To respond to crime or riots with any degree of effective force is called "police brutality." Yet those who raise the charge say nothing about the "brutality" of the criminals who murdered 15 California law officers last year.

A few days ago a brave highway patrolman was killed as he investigated a traffic accident. He left a wife and four small children.

Where were the mass marches protesting this brutality? Where were the loud voices of protest? There was only silence as an eloquent testimony to the kind of hypocrisy with which you in law enforcement are all too familiar.

Ronald Reagan-772

Every law-abiding citizen has a right to expect that government will insure his safety. Every parent has a right to expect government to protect his children from those who deal in and profit from pornography or narcotics. Every homeowner and every businessman has the right to expect his government to protect his property against the criminal, the arsonist, the rioter and the looter.

In return, I believe it is less than presumptuous to suggest that those who risk life and limb to defend society have a right to expect society to give them the support they need to carry on the war against crime.

As one small gesture of our respect, I am announcing, effective today, that every time a California peace officer is killed in the line of duty, that the flag at our State Capitol building be flown at half mast.

I have pledged to you before, and I repeat that pledge---we are trying to provide such support by attacking crime on several fronts. We have developed educational programs to acquaint our youngsters with the dangers of misusing drugs and we are funding dozens of experimental programs ranging from professional psychiatric counseling to the use of self-help programs to combat drug abuse. For the first time, we have a state office solely devoted to coordinating the state's anti-drug abuse efforts and to assist local communities.

Last year, we succeeded in adopting the nation's most comprehensive plan for intra-state control of restricted dangerous drugs. We intend to find out where all the pills on the illicit street market are coming from and to follow through with action to cut off the supply.

We have sponsored legislation to protect minors from the smut peddlers, to deal with campus disorder and to increase penalties for assaults on peace officers.

Despite these advances, we have suffered some defeats.

You and I know that one of the most necessary tools to fight organized crime is electronic surveillance. Contrary to what its opponents falsely claim, this authority is not an unreasonable invasion of privacy---it would be used only after a judge independently agreed there was good reason to believe a crime was being committed.

Our bills on electronic surveillance contained the strictest judicial safeguards to insure the individual's right of privacy, while giving law enforcement an effective weapon to use in the battle against sophisticated and well-financed criminals. Ronald Reagan-773

Electronic surveillance often is the only way to break through to the higher echelons of organized crime. And I think it is about time the legislature ends the legal imbalance that favors the criminal's rights against the right of society to be protected against the lawbreaker. We have tried for three years to do this and we will keep on trying until we succeed.

The tougher laws we managed to pass are not enough. We must do more. We must do more to protect the policemen who risk their lives to protect us.

I have asked the legislature to give priority attention this year to new laws that would:

--Make the killing of a law enforcement officer while on duty first degree murder. The criminal who is armed in the commission of a crime and who uses that weapon to kill a policeman when apprehended is obviously acting with premeditation. He obviously carried the weapon to use it in just such an eventuality and that is plainly with premeditation and malice aforethought.

--Make it a felony to specifically advocate killing or injuring law enforcement officers.

--Increase the amount of reward a governor may offer for information leading to the arrest and conviction of persons killing or injuring police officers.

We want to make the California Council on Criminal Justice more useful to local law enforcement. Local law enforcement agencies should have a greater voice in allocating the \$70 million of federal anti-crime funds California will spend next year to strengthen police and correctional agencies and the court system.

Our goal in public safety is to assure every citizen the right to a quick and efficient system of criminal justice.

To be effective as a deterrent, punishment must be swiftly administered.

Defendants in a criminal trial have a constitutional right to a speedy trial. In California, the law provides that trial must start within 60 days after arraignment.

I suggest that the public also has a right to a speedy trial---by carrying out the result of that trial swiftly and without endless and calculated legal maneuvering designed to delay and obstruct justice.

We must examine court procedures to make certain we are doing all we can to make the constitutional promise of a speedy trial apply equally to the guilty defendant and to the society whose laws he has violated.

Ronald Reagan-774

The judiciary and the organized bar must do their part with more effective enforcement of the ethics which govern the legal profession to see that lawyers and defendants who deliberately disrupt the courtroom are disciplined.

Those steps will help. But let no one pretend this is a lasting solution.

We are the most powerful nation in the history of the world. We have more sophisticated technology, more knowledge and probably more laws than any other society in history. And still we have problems. Someone once said we have 30,000 laws to help us keep the Ten Commandments. Many people wonder why.

I believe we can trace the answer to a decline in the basic values upon which we founded this great country of ours. Some of our citizens have simply lost a sense of moral responsibility...to themselves...to their children...to a cause.

You don't have to be a sociologist to know that there has been a massive breakdown of America's ethical standards. We are an affluent society to some and some of our citizens have deluded themselves that material prosperity and the pursuit of pleasure is an end in itself.

The alienation between parents and children which many call the generation gap is a tragic symptom of this moral decline. The pressures of urban living...the rootlessness of modern life...all these things contribute to what can only be described as a nation in which many citizens have simply lost their way.

How many parents believe their duty to their children is fulfilled by providing shelter, food and a generous allowance? How many parents sow the seeds of juvenile alienation by seeming never to care how late their sons or daughters stay out...or even if they return home at all?

It is a favorite past-time of the "kick America" crowd to sneer at the Puritan ethic...to denounce the moral code and the values which created this country...the sense of national purpose which held us together in times of great stress...through war and depression.

Have we lost all this?

In our zeal to fulfill personal desires...to seek personal pleasures...to satisfy material wants and everyone's desire to "do his own thing," can we forget that it was to unify this country we fought the bloodiest civil war in man's history? Can we forget our duty to honor our country and our own sense of morality?

Better prisons, speedier court trials, more federal funds...all of these things alone will not solve our crime problems. And all the laws and law enforcement in the world won't heal the rift and discord among our people.

Ronald Reagan-775

With all our wealth, we cannot afford to be divided by animosity, suspicion and hate.

We will never recapture the vitality...the sense of national purpose that created our country...until every individual reaffirms a commitment to a personal moral code that holds each person accountable to his fellow man, to his community and to whatever religious code he lives by. Indeed, civilization cannot exist unless people voluntarily abide by rules that are actually unenforceable.

In the long night of darkness of the early 40s, Sir Winston Churchill stirred the hopes of the world by proudly declaring his belief that "when great causes are on the move in the world, we learn that we are spirits, not animals, and that something is going on in space and time, which, whether we like it or not, spells duty."

America is not doomed to be consumed by disorder and decadence; our people are made of sterner stuff.

The principles of honor, respect, obedience to law and yes--of love for one's fellow man--have not been swept away by the turbulence of our times. These ideals still provide the inherent strength and power of our nation and our people.

They need only to be reawakened to provide the moral force and direction our country so desperately needs.

Mr. Edward V. Hickey, Jr., Director of Security for Governor Ronald Reagan, came by to see me the other day accompanied by Mr. Michael K. Deaver, Assistant to the Governor and Director of Administration, for the purpose of discussing the possible acquisition of one of the Bureau's armored cars. Mr. Hickey, of course, is aware of the fact that we do have an armored vehicle in the Los Angeles Office and that we dispose of one each year since the Director made available his armored car in Los Angeles to Governor Reagan when he was visiting that area and proceeding into a ghetto area.

Mr. Hickey stated he was most concerned with the protection and safety of Governor Reagan and he, Hickey, is most anxious to secure an armored vehicle for the purpose of protecting the Governor. He pointed out that the Governor expects to be in office for three more years and does not intend to run for reelection and under the circumstances, it would be highly impossible to secure a new Cadillac armored for the protection of the Governor.

Mr. Hickey was informed that this matter would be presented to the Director for his consideration and for the purpose of determining whether it would be possible to sell or give an armored car to the State of California for the use of Governor Reagan.

The question of whether we can give or sell an armored vehicle to the State of California has been researched in conjunction with the Office of Legal Counsel. Under GSA Federal Property Management regulations, the car could be given to the State of California by following the prescribed regulations, i. e. (1) declare the vehicle surplus to the Department proper; (2) request the Department to ask the Department of Health, Education and Welfare to permit the vehicle to be given to the State of California.

The GSA Federal Property Management regulations further require that used vehicles be disposed of only by sale, such as in this instance where we are replacing the vehicle with a new one.

ORIGINAL FILED IN 66-111-911

An examination of the statutes of the State of California, Section 2501, reflects that the Commissioner of the California Highway Patrol has the power to issue licenses for the private operation of armored cars; thus it is legally possible for an armored car to be privately owned and operated in the State of California.

In view of this, there could be competitive bidding on an armored car that might be offered for sale in that state and, of course, the State of California could be one of the qualified bidders.

The sale of the present 1967 Cadillac could be made with the proviso that it is subject to bidding by qualified bidders only and the further proviso that the Bureau retain authority to supervise the dearmoring of the vehicle before subsequent sale by the successful purchaser.

We have the 1967 armored car available in Los Angeles which we will be disposing of shortly. This car has approximately 30,000 miles on the speedometer and Mr. Hickey understands that in spite of the low mileage on the speedometer, the mileage on the motor is considerable. Mr. Hickey stated that any arrangement that we could make to make the car available for the Governor would be agreeable he was certain with the Governor and with his own office.

If the Director is agreeable, I will notify SAC Williams of the Sacramento Office, who maintains contact with Mr. Hickey, that the Director will make the 1967 armored car available through the regular procedure of securing bids for such vehicle. Normally we sell the dearmored vehicles to the highest bidder and we would do the same with the armored vehicle. There is very little likelihood that anyone else would bid on the car since there are only a limited number of firms in California who could qualify to own an armored vehicle. If for some reason the Governor's office was not the high bidder and the high bidder was somebody unacceptable to us, we of course could withdraw the vehicle from the bidding process and dispose of it after it has been dearmored.

#### RECOMMENDATION

It is recommended that through SAC Williams of the Sacramento Office, arrangements be made for the sale of the 1967 armored vehicle to the State of California for the use of Governor Reagan.

Re: New Left Movement - Violence

wells near San Paulo, California, and to kidnap California Governor Ronald Reagan. It is noted that the current Postal Directory has no record of a San Paulo, California, but does indicate there is a Santa Paula, located in Ventura County, California.

The Bureau desires Los Angeles and San Diego, as well as New York, because of the information contained in enclosure, to promptly ascertain the identity of individuals mentioned to determine if they have any information concerning them and their alleged connection with the Weatherman group. Los Angeles should particularly be alert for any information indicating that any New Left group may be possibly involved in the bombing of oil wells near Santa Paula, California. San Diego, of course, since that city will be the site of the Republican National Convention, should be most alert for any additional information concerning the plot to dynamite the Convention Hall. All offices keep Bureau promptly advised of any pertinent information developed in this matter under heading of this communication and making reference to this airtel.

The above information was telephonically furnished to Sergeant Dennis Williams, California State Police at Los Angeles, California, at 2:35 P.M., August 12, 1971, and to Special Agent Richard Cameron, U. S. Secret Service, Los Angeles, at 2:40 P.M., August 12, 1971, both by Special Agent Theodore J. A'Hearn, FBI, Los Angeles.

Threat Against The President

On February 21, 1972, a confidential source who has provided reliable information in the past advised that the University of Nebraska Coalition for Peace and Justice (NU CPJ) sponsored a demonstration to protest the appearance of Governor Ronald Reagan at the Republican fund-raising dinner for Nebraska Senator Carl Curtis which was held that date at the University of Nebraska Coliseum. The NU CPJ is a loosely, structured New Left-type student group which has been involved in previous peaceful anti-war protests. According to its organizer, [redacted] white male, born [redacted] the protest was being held because someone of Reagan's prominence should not be able to visit a campus "without having to pass by a few undesireables". The demonstration consisted of a free soup kitchen outside the University of Nebraska Coliseum.

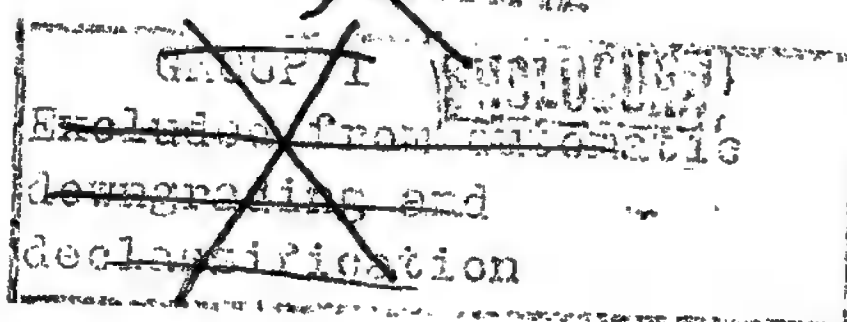

[redacted] and [redacted] white female, born [redacted] were able to get inside the Coliseum when one of the guests at the dinner gave them some extra tickets. During the dinner, [redacted] held up a cloth banner containing the words "Reagan and Curtis are unjust." [redacted] was immediately ejected by a University of Nebraska Campus Security Officer.

b6  
b7C

On February 22, 1972, Inspector Robert Sawdon, Lincoln, Nebraska, Police Department, stated that he had been questioned by an Associated Press reporter about the security precautions given to Reagan. Sawdon stated that extra security measures were taken because a demonstration was expected and because one of the demonstrators had once made a veiled threat against the President. Sawdon explained that he was referring to information obtained after the drug arrests on February 13, 1972, of [redacted] and her husband, [redacted] white male, born [redacted]. A search conducted at the time of the arrests led to the seizure of a diary of [redacted] which included the following entry under the date January 14, 1971:

~~CONFIDENTIAL~~

Ronald Reagan-819

## Threat Against The President

"Nixon came to campus to congratulate our Number 1 team and offer his version of an olive branch to the students - we got front row seats - chanted Peace Now and got booed down. Its all so tiring - I'm so tired and feel so utterly useless - why doesn't anyone ever shoot a Hitler or a Nixon -"

Sawdon stated that the diary contained no threats after the entry on January 14, 1971, through her arrest on February 13, 1972, that she did not make any threat after her arrest, and that, as far as he knows, there was no current threat against the President. Sawdon commented that it is the policy of his department to take an outspoken and perhaps sensationalized stand against those persons who intentionally create an enforcement problem. He equated his comments concerning the demonstration to the comment he had recently made about members of a local gay-liberation group whom he had described to the press as "tutti-frutties dressed in Playtex girdles." He feels the public should know what type of person gets involved in either type of demonstration.

b6  
b7C

[redacted] and her husband are presently out on bonds totaling \$6,500.00 and face at least four felony drug charges but no date has as yet been set for their trial. They are currently unemployed and reside at [redacted]  
[redacted] They had been but are not currently enrolled at [redacted]

Information concerning the demonstration and alleged threat was furnished by Special Agent James C. Felix of the Federal Bureau of Investigation to Special Agent Thomas J. Mc Kernan, Secret Service, Omaha, Nebraska, on February 22, 1972.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

On 9/7/72, during inspection of the Sacramento Office, a courtesy visit was paid on Governor Reagan by Inspectors Nick F. Stames and Marlin H. Moore. Also present were Sacramento SAC John M. Reed and ASAC Theodore Rosack.

Governor Reagan expressed his profound appreciation to the Bureau for the assistance and cooperation rendered his office in connection with the recent Republican National Convention held in Miami, Florida.

The Governor wished to be remembered to Acting Director Gray for the above and recalled their first meeting in connection with a Health, Education and Welfare study at which time Mr. Gray was with that Department.

Governor Reagan was informed that his remarks would be brought to Mr. Gray's attention.

Dear Pat:

Upon our safe arrival back in California, I must take this opportunity to express my heartfelt thanks to all of the men and personnel of the Miami FBI Office. As you are well aware, there were trying times at the convention and without the close liaison and complete cooperation and courtesy of your personnel, our mission would not have been nearly as successful.

It is hard to point out any few individuals; however, Mr. Kenneth W. Whittaker, Special Agent in Charge, Supervisor Howard R. Albaugh, Supervisor Robert G. Strong, Supervisor Thomas H. Stoy, and Special Agent William P. Kelly afforded my staff outstanding cooperation in providing intelligence information that made our stay in Miami most enjoyable.

The above men are only named in the interest of brevity; however, all personnel present from the FBI at Miami contributed to this excellent performance and I am deeply grateful.

Sincerely,

RONALD REAGAN  
Governor

GOVERNOR RONALD REAGAN, STATE OF CALIFORNIA, VISIT TO STATE OF GUERRERO, MEXICO; INTERNAL SECURITY - MEXICO.

REBUTEL MARCH 26, 1974.

ACAPULCO IS LOCATED IN THE WEST COAST STATE OF GUERRERO AND HAS FOR MANY YEARS BEEN KNOWN AS THE "MIAMI BEACH OF MEXICO" ATTRACTING THE WEALTHY AND TOURISTS FROM ALL OVER THE WORLD. FOR THE PAST SEVERAL YEARS, WEALTHY MEXICANS RESIDING IN ACAPULCO AS WELL AS LOCAL BUSINESSES HAVE BEEN TARGETS OF KIDNAPINGS, EXTORTIONS, ROBBERIES AND MURDERS PERPETRATED BY HIGHLY ORGANIZED CRIMINAL GROUPS AS WELL AS REVOLUTIONARIES AS AN ACCESSIBLE AND EASY SOURCE OF MONEY. MANY KIDNAPINGS ARE NEVER REPORTED TO THE AUTHORITIES AS THE VICTIM'S FAMILIES PAY SIZEABLE RANSOMS AND OUT OF FEAR OF REPRISALS DO NOT REPORT THE MATTER EVEN AFTER THE SAFE RETURN OF THE VICTIM. ALMOST WITHOUT EXCEPTION THE VICTIMS OF THESE CRIMES ARE AMERICAN.

NATIONALS AND NOT UNITED STATES OR FOREIGN VISITORS. ACAPULCO POLICE AND STATE AUTHORITIES HAVE DEMONSTRATED A CONTINUED INABILITY TO COPE WITH THE CRIME SITUATION.

DURING LATE JANUARY, 1974, ACAPULCO VICE MAYOR AND ALTERNATE FEDERAL CONGRESSMAN VICENTE RUEDA SAUCEDO WAS KIDNAPED IN ACAPULCO BY REVOLUTIONARY GROUP CALLING ITSELF "ARMED REVOLUTIONARY FORCES" (FAR) AND TAKEN INTO A REMOTE MOUNTAIN AREA OUTSIDE ACAPULCO. RUEDA WAS RELEASED FEBRUARY 11, 1974, AFTER HIS WIFE NEGOTIATED AND PAID A THREE MILLION PESO (\$240,000 U.S.) RANSOM.

IN MID-MARCH, 1974, THE EIGHTEEN YEAR OLD SON OF A WEALTHY MEXICAN FAMILY WAS KILLED IN ACAPULCO DURING AN ABORTED KIDNAP ATTEMPT. FOLLOWING THIS, A TEENAGED SON OF AN ACAPULCO LABOR LEADER WAS KIDNAPED AND A LARGE RANSOM DEMANDED. THE FAMILY IS STILL NEGOTIATING FOR THEIR SON'S RELEASE.

OUTSIDE OF ACAPULCO THE BANDIT REVOLUTIONARY GROUP HEADED BY LUCIO CABANAS BARRIENTOS OPERATES COMMITTING ROBBERIES, KIDNAPINGS OF WEALTHY RANCHERS AND AMBUSHES OF MEXICAN ARMY UNITS. CABANAS ENJOYS SUPPORT AMONG THE LARGE POOR PEASANT CLASS IN THE STATE OF GUERRERO AND HE IS ABLE TO EVADE CAPTURE

FROM THE MEXICAN ARMY NO DOUBT HAVING SOURCES WITHIN THE VARIOUS LOCAL MILITARY GARRISONS THAT KEEP HIM ADVISED OF TROOP MOVEMENTS. THERE IS NO QUESTION THAT CABANAS AND HIS MEN MOVE AT WILL IN AND OUT OF ACAPULCO.

IN JANUARY, 1974, ACAPULCO NAMED A NEW POLICE CHIEF, A THIRTY YEAR OLD LAWYER FRANCISCO DAVILA OTERO. FOR THE PAST SEVERAL YEARS, THE ACAPULCO POLICE CHIEF HAS BEEN A MILITARY MAN AND IT IS RUMORED THAT THE SELECTION OF DAVILA WAS MADE SINCE HE PERSONALLY KNEW CABANAS IN YEARS PAST AND THUS UNDERSTANDS AND CAN COPE WITH THE BANDIT-REVOLUTIONARY PROBLEM.

IN SUMMARY, THE CRIME-REVOLUTIONARY SITUATION IN AND AROUND ACAPULCO REMAINS UNCHANGED BUT FROM PAST EVENTS SUCH ACTIVITIES ARE DIRECTED AGAINST MEXICAN AND NOT FOREIGN VISITORS.

LEGAT WILL BE ALERT FOR ANY INFORMATION FROM ESTABLISHED SOURCES REGARDING THE PENDING VISIT TO ACAPULCO OF GOVERNOR REAGAN AND THE BUREAU WILL BE ADVISED OF ANY PERTINENT DEVELOPMENTS.

It will be recalled, that on 4/5/74, Mr. Anthony Palumbo, who described himself as a "Special Assistant to Governor Reagan," requested to meet the Director at 2:30 p.m., Monday, 4/8/74, in order to extend an invitation for Mr. Kelley to speak before the "Governor's National Conference on Standards and Goals for Criminal Justice," which is tentatively set for September, 1974. No more specific information regarding this conference was given. The Director has agreed to meet Mr. Palumbo.

Our Sacramento Office has advised that Mr. Palumbo (also known as Colonel Palumbo) is the Executive Director of the Office of Criminal Justice Planning for California. This Office disperses Federal grants under the Law Enforcement Assistance Administration. According to the Sacramento Office, Colonel Palumbo is very close to Governor Reagan and prior to his present position was on the Governor's Select Committee on Law Enforcement Problems. Nothing derogatory concerning Colonel Palumbo was contained in the indices of the Sacramento Office nor in Bufiles.

Bufiles indicate that by letter of 8/24/73, the Director acknowledged receipt of the Report of the Governor's Select Committee on Law Enforcement Problems, entitled "Controlling Crime in California," which Colonel Palumbo had sent. This Report was submitted to the California Legislature by Governor Reagan in August, 1973. Bufiles also reflect that in 1970 Colonel Palumbo was the subject of a favorable Departmental applicant investigation in relation to the position of Law Enforcement Program Specialist with LEAA.

RONALD REAGAN

BIOGRAPHICAL DATA

Governor Reagan was born on February 6, 1911, in Tampico, Illinois. His parents are John Edward and Nellie Wilson Reagan. He graduated from Eureka College, Eureka, Illinois, with an A.B. degree in 1932. Governor Reagan is well known as a former movie star. He was formerly married to the movie actress, Jane Wyman. They were divorced in 1948 after being married for eight years. He has been married to Nancy Davis since March, 1952. They have two children, Patricia and Ronald, and Mr. Reagan has two children, Maureen and Michael, by his former wife. From 1932 to 1937, Governor Reagan was a sports announcer for Radio Station WHO, Des Moines, Iowa, and a motion picture and television actor from 1937 to 1966. Since 1967, he has been the Governor of the State of California. He resides at the Executive Mansion, Sacramento, California.

RESULTS OF FILE REVIEW

Governor Reagan was the subject of an applicant-type investigation conducted in 1967, in connection with his position as a member of the Board of Regents of the University of California. Inasmuch as the Board of Regents had access to sensitive material from the Atomic Energy Commission, our investigation was requested by the Atomic Energy Commission. No derogatory information was developed during this investigation, except as follows:

Although Reagan has been extremely anti-communist since the latter part of the 1940's, he had previously been listed as a member of a committee and appeared in a play at a meeting called by the Hollywood Independent Citizens Committee of the Arts, Sciences and Professions, which later became known as the National Council of Arts, Sciences and Professions. The Southern California Committee of this organization has been cited as a communist dominated propaganda media. In 1946,

ENCLOSURE

Ronald Reagan

Reagan appeared on a radio program sponsored by the Mobilization for Democracy, produced with the cooperation of the Hollywood Writers Mobilization. The Mobilization for Democracy has been cited as a communist front by the California Un-American Activities Committee. Reagan was also, in 1946, listed as a sponsor and director of the Los Angeles Committee for a Democratic Far Eastern Policy and in 1947 was listed as a sponsor of a recital put on by the Joint Anti-Fascist Refugee Committee, both communist front organizations. In 1947, Reagan testified as a friendly witness before the House Committee on Un-American Activities and explained that he was duped through a telephone call to lend his name as sponsor of the recital of the Joint Anti-Fascist Refugee Committee.

In March, 1960, the FBI cooperated with Governor Reagan by making inquiries in Washington, D. C., concerning Maureen Reagan, daughter of Reagan and Jane Wyman, who was living with a married Metropolitan Police Officer in Washington, D. C. [REDACTED]

[REDACTED] Our inquiries appeared to confirm this situation, and the information was furnished on a confidential basis to then United States Senator George Murphy who originally contacted the Los Angeles Office in this matter. We also conducted an applicant-type investigation concerning Maureen Reagan when she contemplated working for the Immigration and Naturalization Service. That investigation was discontinued when she decided not to take the job. She has apparently married an individual by the last name of Sills and now resides in California.

In addition to the above, our files contain numerous references to Governor Reagan, but each reference contains either no derogatory or no pertinent data.

In re: Ronald Reagan - former Governor of California.

G'd  
on 4/1/93

(1)

Motivated by instincts beyond my control with sincere desire that some responsible official of the U.S. Government be aware of factual information concerning Ronald Reagan that I herewith tender to your good office this report - in fullest details for the first time ever.

(2)

It began back in 1965 when I resided at [redacted] Texas - 14 miles due west of the [redacted] My business then, as of now, was international and national public relations activities. [redacted] was the name of my organization in Texas. Then Pres. Johnson's # 1 and # 2 friend were known to me. # 2 especially ([redacted]) who was a practicing attorney as well as President of a local bank in [redacted] NEV

(3) About May, 1965 - out of the blue, came

a stranger who stated his name was [redacted] and that he headed a firm in New Orleans, La. called [redacted] [redacted] invited me to lunch and made me "this proposition" that he was an intimate friend of [redacted] who, LA according to [redacted] headed the Mafia in Louisiana and owned the Town & Country Motel in New Orleans vicinity. Marcello had a Fed. jury bribe charge against him outstanding. [redacted] stated that the sum of US\$25,000.00 would be my reward and an additional reward paid to [redacted] if something could be done in [redacted] favor so as to have the Federal charges dropped, dismissed or any other method so necessary to clear [redacted] completely".

( 4 )

I told [ ] this in effect " I do not want any reward from the Mafia, [ ] or you in reference to this matter you speak of, however, I am in public relations and I will introduce you to [ ] as a lawyer and you and he can discuss this case without my presence at all ". I did exactly this Mr. Kelly and about 3 months or so later when, due to business in California here in [ ] Ca. upon my arrival at a friend's home ( [ ] had been given by me this [ ] address previously ) that a telegram from [ ] in N.O. La. at the Town & Country Motel was waiting for me. It advised me to call him collect instantly. I did so. [ ] told me that he and his wife were driving by car to California and it was important -very important, for we to meet once again. I told him to meet me in Reno, Nevada at my Uncle's home ( now deceased [ ] ) which some 11 days later he in fact did.

b6  
b7C

( 5 )

The first thing [ ] told me upon meeting in Reno with him was this " [ ].... my wife and I stayed at the home in So. California of a man who soon will be your next Governor of California -Ronald Reagan and a very intimate long time friend of mine." I asked [ ] " why are you so certain Mr. Reagan will win the election for the Governorship and [ ] replied " the group I am connected with has assured me that it is in the bag ". Mr. Kelly I did not ask him the name of the group. I did not want to. I anticipated what the answer would be. [ ] and I finished our business meeting concerning his plan to have a new town in British Honduras erected along special Mayan design -whose designs he carried with him in color intrigued me. I have never seen him since.

( 6 )

When Mr. Regan in fact did become Governor that I would, on very few occasions, talk by telephone to one of his assistants and would ask this person to make mention to the Governor that I was a friend of [ ] of New Orleans. I became at the time acquainted with this particular secretary thereafter -only by phone calls.

Ronald  
Reagan-904

( 7 )

b6  
b7C

I hold no antimosity against Ronald Reagan whatsoever. I do feel that he is wrong on two scores., a) building at Carmichael, Ca. the expensive mansion for future Governors of this State and, 2) his crystal clear obsession against the poor who, unfortunately, in order to exist have to live on welfare and other State, Federal County and City hand-outs.

( 8 )

Of greater importance Mr. Kelly is a recent statement Mr. Reagan -now seeking to upset the present President of the United States of America, Hon. Gerald Ford, Esq., in re: upcoming national elections is Reagan's stand on C U B A. Whereas, it is printed in national publications, that " if Fidel Castro would compensate those U.S. entities taking over by Castro forces in Havana and elsewhere in Cuba that he would consider establishment of diplomatic relations with Castro's Cuba etc." Mr. Kelly herein lies the reason why I am now motivated to write you this confidential report. The big "M" had a lot at stake in Havana in re: gaming enterprises. Also, take note Mr. Reagan failed to make mention of any national security interest he has in mind to talk to Fidel Castro about. Paramount is those American businesses in Castro's control now. Is there a connection with the Mafia and Ronald Reagan? Based on the entire contents of this report .... I believe there is.

( 9 )

The Atlantic magazine of March issue '76 makes mention in Colson's story that he has heard that the C.I.A. and the Mafia "work hand in hand and in fact control the political domestic scene in this nation etc. If this is true then my report to you very well could mean imminent danger to this writer. I trust you. I admired the late J E H. -your former boss.

Ronald  
Reagan-905

In closing, Kind Sir, I recently wrote to Sen. Frank Church about 2 weeks ago that I wanted to meet with him in re Ronald Reagan and had something of national importance to relate to him. No answer. I am not upset at all as I know Sen. Church is a very busy man. I only feel that he has "missed the boat on a good factual story".

RONALD REAGAN

(Reprint of a Radio Program entitled "F.B.I." -  
Commentary by Ronald Reagan.)

Legislation is now before the Congress which would end all --- QUOTE -- "political surveillance" and shut down the intelligence-gathering functions of the F.B.I. and the C.I.A. This legislation will prevent all covert gathering of foreign intelligence in peace time and keep the F.B.I. from collecting information on any person unless there is evidence that person has already committed a crime, or is about to commit one.

If such a law had existed in the years preceding World War II, the F.B.I. would have been prevented from infiltrating the German-American Bund. The record will show that the F.B.I. deserves most of the credit for the fact that not one major act of sabotage interrupted our war effort during the years from Pearl Harbor to V.J. Day.

As for the second point, how do we propose to halt the increasing wave of terrorist activities if we have to wait until the crime is committed? Or, how will we know someone is about to commit the crime? Our police intelligence forces - the F.B.I. and the C.I.A. - have for 40 years used tactics of surveillance, phone taps and, yes, mail openings when they had reason to believe there was a threat to the safety of our country and our people.

Using these techniques, an F.B.I. agent infiltrated the Ku Klux Klan, and found the murderers of three young civil rights workers a few years ago. I know of no government agency that can match the Federal Bureau of Investigation for its record of more than 40 years of dedication, effectiveness and freedom from scandal.

Now the Attorney General of the United States, evidently carrying out Department of Justice policy, will try to convict a 25 year veteran of the Bureau -- former agent and supervisor John Kearney, who retired in 1972. He will be charged with illegal phone taps and opening mail several years ago when these were normal operating procedures. The Attorney General admits that even if he is found Not Guilty, he will be ruined because the cost of defending himself will wipe out his life savings.

And, who was the object of Agent Kearney's attention when he did these things? The "Weathermen", one of the groups that surfaced in the anti-war demonstrations several years ago. Members of the Weathermen traveled to communist countries, boasted of bombings they were responsible for and 26 of them were, at one time, on law enforcement's "most wanted" list.

There is no other way to protect against terrorism than to try to learn in advance what the terrorists are planning. I wish we could have known beforehand about the bomb that would arrive in a California college office, packaged as mail. A young bride of three weeks was blinded and had her hands mangled as she opened that package. A janitor, on another campus, was blown to eternity when he tried to remove a bomb in the faculty dining room.

I'm glad for the intelligence report, and I, frankly, don't care how it was obtained, that warned me -- when I was Governor of California -- of a plot to kidnap my wife and kill her if I wouldn't agree to free some imprisoned members of a terrorist group.

John Kearney is being prosecuted and persecuted for protecting his fellow citizens; for doing what the Congress, several Presidents and Attorney Generals had approved over a period of several decades.

On August 5, 1976, Special Agent Mark Posey of the New Orleans Office of the U. S. Secret Service (USSS) furnished the following information:

[REDACTED] of the [REDACTED] Apartments, contacted Secret Service to advise them that when [REDACTED] attempted to serve eviction notice on captioned individual, he noticed that in the apartment occupied by this individual, there were eight photographs clipped from newspapers along with a letter inferring that these individuals would have to die between July 26, 1976, and August 9, 1976.

Secret Service interviewed this individual who advised them that as he was watching television one night he clipped the photographs from the newspaper and had written a letter for "entertainment" purposes.

Secret Service presented the initial facts obtained from their interview to Assistant United States Attorney (AUSA) Albert J. Winters, Jr., Eastern District of Louisiana, New Orleans, Louisiana, who is taking under advisement possible prosecution. Winters further requested from Secret Service additional background regarding this individual.

Posey advised that some of the clipped photographs included Governor Ronald Reagan; Senator Richard Schweiker, Pennsylvania; Senator Baker, Tennessee; Governor Brown,

1. Only incoming teletype messages within the categories listed in MIOG Section 16-1.7 pages 1251 & 1252 may be prepared using form 0-73.
2. Use of Form 0-73 is restricted to incoming teletype messages received at FBIHQ Communications Center within the last 72 hours.
3. Addressees must be Bureau Offices (LEGAT/Field) or other Government Agencies. **Geographical location must be indicated if other Government Agency is located outside the Washington, D.C. area.**
4. Editing of message text is restricted to typed or printed changes of a word or two. Administrative data may be added immediately following the text and must be identical for all addressees.
5. Teletype messages received by the Communications Center that do not meet the above criteria shall be returned to the originator for preparation using Form 0-93.

### Preparation of 0-73 Form (Yellow)

3. **Classification** - Type or print the classification and if appropriate the caveat and warning notices.
4. **Addressee Internal Distribution** - Complete when the originator wishes the message to be distributed to a known entity within a Headquarters Agency (i.e. Division, Section, Unit, etc.). **Example:** For: DOS For SY/TAG; DOJ for Asst. AG Criminal Div.; DIA For DSOP.  
Messages which do not list internal distribution shall be delivered to the agency headquarters where their analyst will effect in-house distribution.
5. **Subject** - Type or print the subject in the space provided or check "see attached" if subject is identical to attached message.
6. **Originator's Boxes** - Type or print the originator's name, telephone extension, room number, and division.
